## Power and design combined with living comfort

The BAVARIA YACHTS SR36 combines the best of the BAVARIA S-Line sport line with the BAVARIA R-Line luxury line. A comfortable cockpit, large aft sundeck that can be quickly transformed into a lounge area with sea view table, as well as a large oversized swim platform, make the BAVARIA SR36 the ideal motor yacht since life on modern motor yachts takes place mainly on the deck and in the cockpit. Power and driving dynamism are the perfect combination for long sailings and crossings.

## Interiors

The intelligent layout of the interior elevates the BAVARIA SR36 into a new dimension. The large owner's suite is located in the middle of the hull. In the bow there is another VIP double guest cabin separated for maximum privacy. Design by Marco Casali - Too Design.
